

## § 2883.13

BLM serial number under which it is filed.

### **§ 2883.13 What happens if BLM issues me a grant or TUP and later determines that I am not qualified to hold it?**

If BLM issues you a grant or TUP, and later determines that you are not qualified to hold it, BLM will terminate your grant or TUP under 30 U.S.C. 185(o). You may appeal this decision under § 2881.10 of this part.

### **§ 2883.14 What happens to my application, grant, or TUP if I die?**

(a) If an applicant or grant or TUP holder dies, any inheritable interest in the application, grant, or TUP will be distributed under state law.

(b) If the distributee of a grant or TUP is not qualified to hold a grant or TUP under § 2883.10 of this subpart, BLM will recognize the distributee as grant or TUP holder and allow the distributee to hold its interest in the grant or TUP for up to two years. During that period, the distributee must either become qualified or divest itself of the interest.

### **§ 2884.10 What should I do before I file my application?**

(a) When you determine that a proposed oil and gas pipeline system would cross Federal lands under BLM jurisdiction, or under the jurisdiction of two or more Federal agencies, you should notify BLM.

(b) Before filing an application with BLM, we encourage you to make an appointment for a preapplication meeting with the appropriate personnel in the BLM field office nearest the lands you seek to use. During the preapplication meeting BLM can:

- (1) Identify potential routing and other constraints;
- (2) Determine whether or not the lands are located within a designated or existing right-of-way corridor;
- (3) Tentatively schedule the processing of your proposed application;
- (4) Provide you information about qualifications for holding grants and TUPs, and inform you of your financial

obligations, such as processing and monitoring costs and rents; and

(5) Identify any work which will require obtaining one or more TUPs.

(c) BLM may share this information with Federal, state, tribal, and local government agencies to ensure that these agencies are aware of any authorizations you may need from them.

(d) BLM will keep confidential any information in your application that you mark as “confidential” or “proprietary” to the extent allowed by law.

### **§ 2884.11 What information must I submit in my application?**

(a) File your application on Form SF-299 or as part of an Application for Permit to Drill or Reenter (BLM Form 3160-3) or Sundry Notice and Report on Wells (BLM Form 3160-5), available from any BLM office. Provide a complete description of the project, including:

- (1) The exact diameters of the pipes and locations of the pipelines;
- (2) Proposed construction and reclamation techniques; and
- (3) The estimated life of the facility.

(b) File with BLM copies of any applications you file with other Federal agencies, such as the Federal Energy Regulatory Commission (*see* 18 CFR chapter I), for licenses, certificates, or other authorities involving the right-of-way.

(c) BLM may ask you to submit additional information beyond that required in the form to assist us in processing your application. This information may include:

- (1) A list of any Federal and state approvals required for the proposal;
- (2) A description of alternative route(s) and mode(s) you considered when developing the proposal;
- (3) Copies of, or reference to, all similar applications or grants you have submitted, currently hold, or have held in the past;
- (4) A statement of the need and economic feasibility of the proposed project;
- (5) The estimated schedule for constructing, operating, maintaining, and terminating the project (a Plan of Development);
